

# SUNDOWN COUNTRY ESTATE

Sundown Country Estate is situated in the greater Pilanesberg region and is a short 12km drive from the Sun City Resort and the malaria-free Big 5 Pilanesberg Game Reserve. The hotel is a well-known icon, and a popular retreat for those looking for a bushveld getaway, offering guests a tranquil environment to while away one's time sipping a chilled chardonnay at our poolside bar. Sundown Country Estate caters for a broad spectrum of clientele, ranging from the weary FIT guest right through to the larger Groups, Incentive & Corporate Conferencing guest. The conference facilities can accommodate up to 200 delegates and has all of the required equipment necessary.

The hotel is uniquely positioned on a 800ha reserve, which is home to a variety of general plains game such as zebra, giraffe, warthog, impala, healthy bird life ... to name a few. A safari on the reserve can be arranged for guests with our friendly and hospitable staff at the main reception. The central guest facilities at Sundown Country Estate includes two indoor dining areas – namely the Aloes Restaurant and the Pilanesberg Restaurant which also has an outside terrace overlooking the swimming pool area. The main indoor bar is a welcome reprieve from the hot African sun, with an extensive variety of chilled beverage to quench one's thirst. Alternatively, our poolside bar, which overlooks our swimming pool and manicured gardens, is a popular choice for those guests wanting to soak up the sunshine. There is also a gym facility on offer to all guests staying with us, which has a variety of exercise equipment on hand.
